PROFILE

Hello, My name is NEHA MAURYA. I have completed my B.TECH with Computer Science Engineering from Faculty of Engineering and Technology, University of Lucknow. As up till now I have skilled up myself in web development. Motivated and detail-oriented Web Development fresher with a strong foundation in front-end and back-end technologies. Eager to contribute to innovative web solutions and enhance user experiences. Passionate about learning, collaborating, and growing as a professional in the tech industry.

TRAINING AND EXPERIENCE

- **Web Development Training** JUNE 2022 - AUGUST 2022
 - Learned front-end and back-end technologies, including HTML, CSS JavaScript, Bootstrap, Reactjs, PHP, DBMS.
 - Developed a **E-commerce website** using the highlight skills. Designed and developed a fully functional e-commerce website to provide users with a seamless online shopping experience.
 - Created a responsive user interface using HTML, CSS, and Javascript. Implemented product listings, search functionality, and category filtering.
 - Developed a secure user authentication system using PHP and MySQL. Implemented order management for admin users, including adding, updating, and deleting product. Designed a MySQL database to manage product details, user information, and order history.
- **Webmobi360| Software Developer Intern** Jan 2025- Present
 - Worked on CRMS (customer relationship management software).
 - Developed an interactive dashboard for managing customer relationships, including real-time data updates and a modern UI using React and Tailwind CSS.
